## TIME DISTRIBUTION (समय विवरण)

Date: 2080/08/15  
01-Dec-2023  
3:30 PM

### Situation Overview

On the night of November 3, 2023, a 6.4 magnitude earthquake struck the Karnali Province of Jajarkot and Rukum West district, with its epicenter located in Ramidanda, Jajarkot district, at 11:47 pm. Following the initial earthquake, numerous aftershocks occurred, causing fear among the local population. The ongoing aftershocks have compelled residents to evacuate their homes and seek to stay in open areas. A total of 18 local governments are affected where Jajarkot and Rukum West are severely affected in terms of human casualties, and damage to houses in Karnali Province.
